The vision and ministry of COFA is to use God's great outdoors through hunting, fishing, hiking, camping and other various outdoor activities to promote the Gospel and to have a personal relationship with the Lord Jesus Christ.

Psalm 19:1, *"The heavens declare the glory of God, the skies proclaim the work of His hands."*

Also, President Theodore Roosevelt once stated, "It is incalculable added pleasure to anyone's sense of happiness if he or she grows to know, even slightly and imperfectly, how to read and enjoy the wonderful book of nature."

Although COFA may not currently have all of the following outdoor activities, please check off any that you may have an interest in or would be able to help with.
